

No Smoking Policy

Children's health and well-being is of the utmost importance for Spice Childcare. Smoking has proved to be a health risk and therefore in accordance with childcare legislation, the setting operates a strict no smoking policy within its buildings and grounds. It is illegal to smoke in enclosed places.

Parents are respectfully required to abstain from smoking whilst on the premises. This rule also applies to staff, students, carers, visitors, contractors etc.

Staff accompanying children outside the setting are not permitted to smoke. We also request that parents accompanying nursery children on outings refrain from smoking whilst caring for the children.

We respect that it is a personal choice to smoke, although as an organisation we support healthy lifestyles and therefore encourage staff and parents to stop smoking by offering support.
